A GREAT SHORTHORN HERD TO PASS UNDER THE HAMMER

The passing of this herd will occasion widespread regret. This finely appointed herd has come to the parting of the ways, and when history records its activities, there will be said of it, that no collection was founded upon a broader basis, that no herd had brighter prospects as to the ultimate end of its desires than which was maintained on Revelanta Farms.

The public will not be forgetful of the desirable seedstock which was gathered on Revelanta Farms, and when it comes to valuing it, I am sure the appraisalment will be in line with its actual worth, and that it will be carefully conserved for the breed's future benefits. The owners of Revelanta Farms were actuated by high ideals in establishing this herd.

Dr. A. S. Hague and Earl S. Girton did team work in the production of Shorthorns that, had the arrangement been allowed to continue until they had seen a fulfillment of their plans, there would have been but few herds in this country that could be compared with it because it was the desire of these men to produce Shorthorns with striking qualities in individual merit, and of the richest blood. Study the catalog which contains the pedigrees of this superb collection. Do not look lightly upon the selling of this herd. There is a brighter day coming, and when the clouds shall roll away, the intelligent farmer with a herd of good Shorthorns will come into his own. This herd is not selling in a propitious time to realize a range of values to which it is entitled. For the buyer of good Shorthorns this is indeed a great opportunity. Prepare now to participate in the auction.

FRANCIS T. MARTIN

of The Breeder's Gazette.

AN EVENT OF IMPORTANCE TO EVERY SHORTHORN BREEDER

The untimely death of Dr. A. S. Hague robbed the Shorthorn Cattle Breeding Fraternity of one of its staunchest champions,—a man who knew Shorthorns, loved them and whose life ambition was to produce them according to the most approved standards. A herd, the foundation of which was laid by Dr. Hague and Earl S. Girton, on the most careful and exacting basis with the motive of utmost permanency, must now be completely dispersed. The Shorthorn Fraternity mourns the conditions which make this necessary.

Summing the situation up briefly, I can only say that the effort, time and money expended for bringing this herd up to its high standard of efficiency has now been altered to the benefit of men who are now in the market for the best. I am strong in my belief that many years have passed since such an outstanding group of correct Shorthorns has been released to the trade, and probably many more years will pass before such an opportunity again presents itself.

Within the scope of my work it has been my opportunity to visit the Hague & Girton herd at many stages of its building. Never have I found a herd where the owners had so distinctly in mind their idea of proper type during the foundation stages of their herd. Only animals were added whose type met with their perfect approval as the type with which to breed on and these were only added if their blood lines indicated they were the kind that could be expected to reproduce that type. As a result, a truly wonderful group of cattle with outstanding blood lines were assembled.

The offspring of these cattle naturally has been of superior merit. All are to be sold. Herd bulls, show cattle and breeding herd are to be distributed to the trade. The greatest lot of herd bull material of the year is here offered. The greatest lot of foundation females of the year are to be subject to your appraisal. And no sale will equal this one in material to fill out show herds.

It is a pleasure to recommend such cattle to prospective buyers. The herd has been conducted on the most business-like methods and is federally accredited. I can only say that those men seeking the best in Shorthorns will not be disappointed in these cattle.

HAL LONGLEY

of The Shorthorn World.

AN UNEXCELLED OPPORTUNITY

Imagine a factory that has just been developed to the highest point of efficiency; one that includes the best of materials placed by expert hands, each unit a perfect fit; one that has possibilities equal to any in the land; one that is admired by everyone that sees it, and ranks ace high with the experts who know it. Then imagine that unfortunate circumstances suddenly forced this business institution on the open market. Someone would get a wonderful bargain! For such selling conditions are always more favorable to the buyer than to the seller. The buyers that took hold of such an opportunity would profit the most. So will it be with the farmers and breeders that take hold of the Revelanta Farms Shorthorn offering. For this herd is made up of the finest families of the breed, was chosen by men who were cattle judges and had eyes for good mating. Everyone that sees this herd admires it; and good judges rank it high. This dispersion is far more than the average opportunity for every farmer and breeder.

C. H. FICKE
of The Iowa Homestead.

AN UNUSUAL OFFERING

In founding the Revelanta herd Messrs. Hague & Girton were very particular to select only the best bred and best individual Shorthorns they could obtain, and the student of pedigree will be impressed with the champion sires and prize winning ancestry represented in this herd. The herd has been in good hands and while its dispersion is to be regretted, yet the sale will give breeders an opportunity to select valuable breeding stock that will strengthen their herds and can only be secured because this is a dispersion sale. No herd has been more carefully built up with regard to breeding and individual merit.

H. M. YODER
of Wallace's Farmer.

Terms and Conditions of Sale

THE OFFERING—70 lots, consisting of 16 bulls, 8 cows with calves at foot, 36 bred cows and heifers and 10 open heifers. A complete dispersion of the Revelanta Shorthorns.

PEDIGREES—A certificate of registry and transfer will be furnished for every animal sold as a single lot, and application for calves.

Terms: Cash—We sincerely believe that the breeding fraternity is much better off when all transactions are made upon a cash basis. We have always preferred to bid against hard cash rather than notes, and we want every prospective buyer to feel and know that every lot offered will sell to the high cash bidder. In only two cases when purchasing the entire foundation for this herd were notes given, and then only for show animals recently bred and same being taken up in less than seventy-five days.

GUARANTEE—This being a complete dispersion sale, no guarantee as to the future usefulness of the cattle will be given. However, we are with the cattle every day and will give full information about each of the lots. Cattle at buyer's risk as soon as bid off. All stock loaded on cars free of charge.

TEST—Our herd has been under Federal supervision for the past three and one-half years, and is federally accredited. No retest will be given, but all cattle sold will be tested shortly before the sale so that they will meet any state requirements. Every animal that has been purchased by us within this time has been kept segregated for 60 days and retested, so that we would run as little chance as possible of introducing disease into our herd.

AUCTIONEERS—Kraschel, Mason & Milne. **CLERK**—Frank Ricksher.

FIELDMEN—Francis Martin of the Gazette, Hal Longley of the Short Horn World, H. M. Yoder of Wallace's Farmer, C. H. Ficke and Clarence Martin of the Iowa Homestead.

MAIL BIDS may be sent to either of the auctioneers or fieldmen.

FAIRFIELD—Is on the main line of the C. B. & Q., midway between Chicago and Omaha and on the main line of the Rock Island midway between Chicago and Kansas City. Good connections can be made in any direction on either local or fast trains.

REVELANTA FARMS are located 7 miles northwest of Fairfield on the Brookville Speedway, one mile east of Brookville, which village is 6 miles due south of Packwood and three miles north of "the large elm tree in the middle of the road" on the Blue Grass Highway.

FREE TRANSPORTATION from Hotel Leggett and depots at Fairfield and Packwood sale day.

ATTENTION is called to the R. N. Marshall Shorthorn Sale at Ollie, Iowa, on June 27. The farms are 12 miles distant.

WE EXTEND to all lovers of good Shorthorns a cordial invitation to be with us sale day.

Fraternally yours,

EARL S. GIRTON, Sales Manager.

Mrs. Hague, Admx. A. S. Hague Estate.
